Billing

The security light charge shall be plainly shown on the member’s billing statement and shall be paid at the same time and on the same terms as the member’s regular bill.

Extra Charges

For members requesting the lighting fixture at a point other than where Heartland REMC has an existing pole, the customer shall have the option to rent a pole at the above listed rates. When a separate transformer is required, a monthly fee will be applied as stated above.

Conditions of Service

- The outdoor security lighting fixture and the electric energy it uses, is furnished by Heartland REMC. The lighting equipment shall remain the property of the REMC.
- Lamp replacements will be furnished and installed by Heartland REMC, except in cases of vandalism or willful destruction.

- Monthly rate shall not be prorated for temporary service interruption. It shall be the responsibility of the member to notify Heartland REMC of the need for maintenance of the lighting fixture. Maintenance will be performed during regular working hours.

### Terms of Contract

Service under this schedule is for a term of not less than one (1) year.

### Termination of Service

The member may request termination of security light service at his option and Heartland REMC will remove its property upon such notice with reasonable diligence. Heartland REMC may also remove its fixture and cancel the security lighting service where:

- Bills are unpaid,
- When the service is no longer being made available,
- Whenever such action is necessary to protect Heartland REMC from fraud or abuse.
